

In the past two years, People's Emergency Center (PEC)...

...helped 75% of families in their temporary housing have find a home of their own this year.

...delivered over 90,000 1-week supplies of groceries to families, youth, and elderly residents in need—7x more than in an average year.

...worked with 241 adult learners in our digital inclusion program.

...connected 230 households with over \$400,000 in utilities and rent assistance.

...helped 100 households prevent eviction!

...distributed \$140,000 in Workers Relief grants to 177 individuals who didn't qualify for stimulus checks.
